

CP Transport Solutions LTD wants to ensure that our vehicles and drivers are kept safe at all times on the road, thousands of trucks are stolen every year in the UK, costing insurance companies up to £1 billion a year. We believe that we can help prevent theft or crime against the company and our employees by taking the following advice:

- Keep the keys with you at all times when not in control of the vehicle, when the vehicle is left unattended lock all doors and shut all windows.
- Do not leave any personal belongings on show, such as sat navs, mobile phones, bags and money. Place all your items under the seats or in the lockable glove box.
- When parking the vehicle take notice of your surroundings and check to see if you are in view of any CCTV cameras, this will help capture or deter any thieves.
- Be aware of criminal traps, thieves will try and stop drivers while they are driving or delivering by using several various tricks. These include staged accidents, impersonating police officers or officials and pretending that there is a problem with your vehicle such as trailer doors being open.
- Only stop for marked police/DVSA vehicles with uniformed occupants. If in doubt, ask for identification.

We ask you to stay vigilant at all times and please report any suspicious behavior to the police and or to the office.

Failing to adhere to these rules will lead to disciplinary action or termination of contract.

This policy will be kept under review to ensure that it continues to meet its aims.

This policy applies to all employees of CP Transport Solutions LTD.

Signed

Daniel Peach – Company Director
